Manuel Remembered as Friend, Colleague and Humanitarian

When you know a person who lived their life to the fullest – sharing faith, hope, guidance and friendship with everyone they met – then it is natural to celebrate them...
...so, we celebrate the life of Benny Manuel.

Although gone too soon, Benny left a legacy for all to remember and continue. The all around good guy, Benny had a passion for giving back to and volunteering for organizations that helped others and programs that groomed youngsters.

As a member of AADE, LAGCOE, SPE and ARC of Iberia, Benny influenced the lives of many by providing scholarships to college students; professional learning opportunities to colleagues; and a sense of belonging to the many ARC members he befriended.

As a family man, who loved fun and adventure, Benny enjoyed hunting, fishing, coaching baseball and riding his motorcycle – surrounded by Kim, Kimberly and Cory.

Benny was the epitome of family man, friend, colleague and humanitarian. The Knight team was blessed to know and work with Benny and we encourage you to live like Benny – love life, live life and celebrate life.

Focused on providing "zero failure" equipment and service for more than 38 years, Knight has grown to include Knight Oil Tools, Knight Fishing Services, Knight Well Services and Knight Manufacturing. The company is the largest privately held rental tool business in the oil and gas industry. Knight has an extensive inventory of high-quality products necessary for safe, efficient and productive oilfield projects.

Knight's 30+ locations across eight oil-producing states serve all phases of an oil well's life cycle from exploration to abandonment. www.knightoiltools.com
