Joe Lee Named Director Jars Product Line

Knight Oil Tools is pleased to announce that Joe Lee has joined the company as Director Jars product line.

In his new position, Lee will oversee new jar manufacturing operations as well as maintenance and servicing of used equipment at the Knight Oil Tools Jars facility in Broussard, LA. Joe's other responsibilities include business development, HSE and quality systems for the Jars product line.

Joe has a long history in the oilfield and has extensive international operations experience. Prior to joining Knight Oil Tools, he was Vice President of Operations at Foxxe Energy Services. Lee has also held various management positions at Halliburton, Expro Group, Altec Gas Lift and Schlumberger.

Lee holds a B.S. degree in Civil Engineering from Mississippi State University and is a member of the Society of Petroleum Engineers and International Association of Drilling Contractors.

"Joe Lee is the ideal person to lead the new Jars product line into markets in N. America and internationally," said President Mark Knight.

Focused on providing "zero-failure" equipment and service for 40 years, Knight Oil Tools has grown to include Fishing Services, Well Services and Manufacturing. The company is the largest privately held rental and fishing tools business in the oil and gas industry. Knight Oil Tools maintains an extensive inventory of high-quality products for safe, efficient and productive oilfield projects.

Operating from more than 30 locations across eight oil-producing states, Knight Oil Tools serves all phases of a well's lifecycle from exploration to abandonment. For more information, visit www.knightoiltools.com.
