Knight Oil Tools announces leadership changes in U.S. operations and sales

Mark Knight, President and Chief Executive Officer, recently announced the realignment of the U.S. operations leadership team. The process continues with a number of changes in the company's operations and sales structures, furthering the success and growth of Knight Oil Tools.

Rickey Tauzin, Gulf Coast Region Sales Manager, has been promoted to Vice President of Sales for Knight Oil Tools. Rickey has worked with Knight Oil Tools for 6 years, bringing with him over 35 years of experience in the oil and gas industry. Rickey's new responsibilities include managing and guiding the entire sales effort for all regions and product/service lines.

Dan Rogers has been appointed to Vice President of Operations. Dan will oversee the operations of all U.S. product/service lines in each region, ensuring all units are unified and their synergies are maximized within their region. He previously held the position of Director of Operations, Gulf Coast Region for Rental Tool Services.

In continuation of the expanded operations structure, Knight Oil Tools introduced three new Regional Vice Presidents. **Bill Keenan** has been appointed to Vice President of the Gulf Coast Region. **Shawn Jordan** has been named to Vice President of the Mid-Continent Region.

Chris Pendergraft was named Vice President of the Rocky Mountain Region.

In related operations changes, **Kevin Reardon**, Rocky Mountain Region Manager for Rental Tools Services has assumed the additional position of Rocky Mountain Region Manager for Fishing Services. **Mike Acy** has been named Gulf Coast Region Manager for Rental Tool Services.

Mike Etheridge was named Gulf Coast Region Manager for Fishing Services. **Mark Quinn** has been appointed to Mid-Continent Region Manager for Fishing Services. **Travis Woolf** has been promoted to Mid-Continent Region Manager for Rental Tools Services.

The following changes in the sales leadership were also announced.

Paul Pilcher has been promoted to Rocky Mountain Region Sales Manager. **Greg Hull** joins Knight Oil Tools in his new position as Gulf Coast Region Sales Manager.

For more than 40 years, Knight Oil Tools has been providing "zero-failure" equipment and services to the oil and gas industry. With more than 50 locations worldwide, Knight Oil tools has grown to be the largest privately held rental and fishing tools company in the world. For more information, visit www.knightoiltools.com.
