## Knight Oil Tools Announces Executive Changes

Mark Knight, President of Knight Oil Tools recently announced a series of executive management promotions. **Clark Carnes** has been named President of Knight Oil Tools International. **Doug Keller** has been promoted to Senior Vice President of Knight Oil Tools. **Mickey Broussard** has been named Vice President of Knight Oil Tools' Fishing Services business unit. **Sid Lyons** has been named Vice President of Sales for Knight Oil Tools. In related changes, **Joe Lee** has been promoted to Assistant Vice President, Fishing Services and **Jerome Lane** has been promoted to Assistant Vice President, Operations for Knight Oil Tools. **Mike Foster** has been named Regional Vice President-South America for Knight Oil Tools International.

In his new position, Carnes will oversee all Knight Oil Tools' ongoing and future international business. Carnes has 36 years of industry experience and more than 20 years of experience with Knight Oil Tools. He was instrumental in the company's expansion into several new regions. His most recent position was Vice President of Fishing Services.

Keller will be responsible for worldwide marketing and business development, involving new products and markets. He has more than four decades of oil and gas industry experience and has been with the company for more than 25 years. His most recent position was Vice President of Sales & Marketing for Knight Oil Tools.

In addition to his new position as Vice President of the Fishing Services business unit, Broussard will continue to act as Vice President, Operations for the company's Rental Tool Services business unit. Broussard's career at Knight Oil Tools spans three decades and includes various positions where he was instrumental in developing procedure-driven programs and employee training and development.

Lyons has been named vice president of Sales for Knight Oil Tools. Lyons previously held the position of vice president, Inspection Services for Knight Oil Tools' Tri\*Drill Services business unit.

Lee will report to Broussard in his new position as Assistant Vice President, Fishing Services. In addition to his new responsibilities, Lee will also continue to act as Director, Jar Product Line, where he is responsible for manufacturing and business development of drilling jars.

Lane will also report to Broussard in his new position as Assistant Vice President, Operations. Lane most recently held the position of Operations Manager for Rental Tool Services.

In his new position, Foster will report to Clark Carnes. Foster has been with the company since 2007 and he brings extensive operations, sales and management experience in the fishing business to his new role.

According to President Mark Knight, "All of these promotions make Knight Oil Tools a stronger company and position us for further growth internationally and in the markets we currently serve."
