**LAFAYETTE, La. (March 25)** - Knight Oil Tools announces Michael

Brady, director of human resources, has earned certification as a Senior Professional in Human Resources (SPHR).

The certification, awarded by the HR Certification Institute, signifies Brady has proven his knowledge and practical experience in human resources management. To become certified, applicants are required to pass a comprehensive examination, in addition to having a strong background of working in a professional human resources capacity.

"Knight's top-notch group of directors is dedicated to making us a stronger company," said President Mark Knight. "Michael earning this certification is just one more way he is demonstrating his commitment to our staff, our customers and Knight's future."

Brady joined Knight as human resources director in 2007. He earned a master's degree in education, administration and supervision and a bachelor's degree in music and education from the University of Louisiana at Monroe.

The HR Certification Institute is affiliated with the Society of Human Resource Management (SHRM), the world's largest organization dedicated to promoting professional standards and recognizing professionals who meet those standards.

Focused on providing “zero failure” equipment and service for more than 36 years, Knight Oil Tools has grown to include Knight Fishing Services, Well Services and Manufacturing. The company is the largest privately held rental and fishing tools business in the oil and gas industry. Knight has an extensive inventory of high-quality products necessary for safe, efficient and productive oilfield projects.

Knight’s 30 locations across eight oil-producing states serve all phases of an oil well’s lifecycle from exploration to abandonment. For more information, visit [www.knightoiltools.com](http://www.knightoiltools.com).
