LAFAYETTE, La. (Aug. 25) - Knight recently promoted Jerome Lane to operations manager for its Oil Tools operating company.

Lane previously was a Quality Assurance/Quality Control Pressure Control Specialist with Knight. He has worked in the oilfield for the past 30 years specializing in [blowout-prevention](#) and related pressure-control equipment.

“We are proud to have Jerome in this position,” said President Mark Knight. “With his outstanding knowledge of proper quality and safety practices, we feel secure in his ability to manage our rental tools operation.”

A lifelong resident of Lafayette, Lane studied marketing at the University of Louisiana at Lafayette.

He is a member of Holy Cross Catholic Church and is active in Our Lady of Fatima Pack and Boy Scout Troop 446. Lane is a former president of Broadmoor T-ball and has served as president and vice president of Lafayette High School Football Boosters Club.

Focused on providing “zero failure” equipment and service for 35 years, [Knight Oil Tools](#) has grown to include Knight Fishing Services, Well Services and Manufacturing. The company is the largest privately held rental and fishing tools business in the oil and gas industry. Knight has an extensive inventory of high-quality products necessary for safe, efficient and productive oilfield projects.

Knight’s 30 locations across eight oil-producing states serve all phases of an oil well’s lifecycle from exploration to abandonment. For more information, visit www.knightoiltools.com.
